

United States Department of State

Washington, D.C. 20520

OCT 28 2011

Dear Mr. Speaker:

Pursuant to Sections 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a technical assistance license agreement for the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Singapore to support integration of Satellite Communication (SATCOM) radios and Helicopter Integrated Electronic Warfare System (HIEWS) equipment for the upgrade of the AH-64D Apache helicopters in the inventory of the Singapore Ministry of Defense.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in dark ink, appearing to read "D S Adams", with a long, sweeping horizontal line extending to the right.
